

## UF Mechanical Engineering Students

**Please join us  
to learn about  
one of the most influential  
professional organizations  
for engineering:  
ASHRAE.**

**Wednesday, November 15<sup>th</sup>, 4:05pm**

### **Location:**

UF Mech. & Aero Engineering Bldg. A, Room 303

939 Sweetwater Dr., Gainesville, FL 32611

Prof. Shulze's HVAC course:

Refrigeration and Air Conditioning Fundamentals

Scan the QR code or [Click Here to Register](#).

### **Food will be provided.**

Please register by Monday Nov 13 so we have a good headcount for food.

If you cannot attend,  
but you would like more information about ASHRAE,  
please register and select that you want info only.

For more info on **ASHRAE Society**: [www.ashrae.org](http://www.ashrae.org)  
American Society of Heating, Refrigeration, and Air-Conditioning Engineers
