- Charles Datko (Campbell Spellicy Engineering)
- Hunter Kastensmidt (Campbell Spellicy Engineering)
- Vincent Foggia (Brooks Building Solutions)
- Will Wickenden (Gray A&E)

Member Highlight: Katelyn Tyler

Why I Joined ASHRAE

"I joined ASHRAE as an opportunity for involvement in the industry and to meet other professionals in this field. Since entering the HVAC field right out of college, I have made many connections from different companies. Getting involved in ASHRAE makes it easy to build relationships with others through our various events, meetings, and committees that are available."

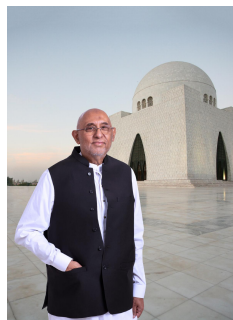

Katelyn Tyler is the current ASHRAE Jacksonville Vice President.

Company: Brooks Building Solutions
Job Title: Equipment Sales Engineer
Years in ASHRAE: 4
College: University of Florida

Work History: Katelyn started her career right out of college at Johnson Controls in 2019 as a Construction Sales Engineer. She transitioned to Brooks Building Solutions in January of this year working as an Equipment Sales Engineer.

Interest and Hobbies: Hobbies include traveling, being outside with her dog and husband, spending time with family/nieces and nephews, and cheering on Gator/Jaguars football. Katelyn is also a coach for a competitive middle school cheer team in St. Johns County.
