Welcome New Members!

Please welcome the latest ASHRAE members that have joined the Jacksonville Chapter!

- Amy Lazor (CBRE)

Member Highlight: Ben Wilder

Why I Joined ASHRAE

"Contributing toward this organization gives me a sense that I am adding value to our industry. What better industry could you choose than the one that stands to engineer the comfort of the places where we live, in the built environment. The legacy that I leave with ASHRAE Jax builds upon the efforts of those that have come before us. Thank you to all the past presidents, volunteers and sponsors of

ASHRAE Jacksonville for their dedication to preserving this organization that aligns our common goals in this industry."

Ben Wilder is the current ASHRAE Jacksonville President Elect and Treasurer.

Company: George A Israel Jr Inc

Job Title: Mechanical Engineer, Purchasing & Special Projects
Years in ASHRAE: 4

College: B.S. in Mechanical Engineering from UNF & B.A. in Psychology from Saint Leo University

Work History: Ben was the V.P. of Product Development for a startup company developing advanced systems for marine construction and rail-guided electric vehicles. After reeducating with a Mechanical Engineering degree, he worked for Gemlux Products designing innovative boat hardware. Wilder now works for GAI Inc supporting Purchasing, Expediting and providing data analysis.

Interest and Hobbies: Engineering, Functional Art, Mechatronics, Inventions, Family, Boating, Tinkering

Upcoming Events

December Lunch Meeting

Join us for the last lunch meeting of 2022 at The River Club! Arrive at 11:30a to get lunch before the presentation.

Past Event: Fall Golf Tournament

Thank you to everyone who participated in our Fall Golf Tournament last week. We appreciate your support and hope everyone had a great time.

2022-2023 Corporate Sponsorships

ASHRAE Jacksonville Chapter is THANKFUL for the partnership of these local companies, and their continued support of ASHRAE activities as we seek to promote and advance engineering in the heating, air conditioning, ventilation, and refrigeration industry.
