Member Highlight: Austin Calcote, P.E.

Why I Joined ASHRAE

"There are many organizations that a Mechanical Engineer can join, but to me ASHRAE had the best local participation and events. I wanted to network with local professionals and build relationships, that was my primary goal in joining ASHRAE. Once I joined the board in 2018 and starting serving, I saw those relationships grow exponentially."

Austin Calcote, P.E. is our current ASHRAE Chapter President. He has been a member of ASHRAE for 7 years.

Current Job: Design project manager at Stellar

Education: Mechanical Engineering, UNF

Work History: Upon graduation, Austin started his career as a Mechanical Engineer at The Stellar Group. He worked as an engineer for 6 years designing HVAC, Plumbing and Utility systems. He transitioned into Design Project manager where he has been for 2 years. He passed his PE Exam in 2019 and is a registered Engineer in the State of Florida.

Interests and Hobbies: Playing Golf; Big Fan of Gators, Braves & Jags; Fishing in the Florida Keys
